For example, we have reported the following: Cleanup Efforts DODs preliminary cost estimates for environmental cleanup at specific sites may not reflect the full cost of cleanup. That is, costs are generally expected to increase as more information becomes known about the extent of the cleanup needed at a site to make it safe enough to be reused by others. In conclusion, Mr. Chairman, while the data indicate that DOD has made progress in cleaning up its contaminated sites, they also show that a significant amount of work remains to be done. Given the large number of sites that DOD must clean up, we recognize that it faces a significant challenge. Addressing...
