Brand New Book ***** Print on Demand *****.Full on war has broken out between the Fallouts and Wellsprings, catching The Mortician s Widow right in the middle. As she s taken in for interrogation by Wellspring it seems the real question on everyone s mind is not her connection to the rebels, but to the kingdom. As if she was capable of working for the very king she s trying to kill, things get shaky until Fallout steps in to protect her. In retaliation for the misguided attacks Fallout goes on the offensive and takes a Wellspring rebel in for questioning. With close ties put on the line desperate times call for desperate measures. It seems as though nobody knows who they can trust as the ranks are shaken up with unusual friendships forming. An old wound is opened up as new scars make themselves felt. The wars prove that nobody is as safe as they would like to believe with one casualty after another. A necessary loss proves to be the eye opener for Fallout. The kingdom is getting everything they want, and if the rebels ever want a real shot at the king a truce must be reached, or are they already too far gone?.
