

The Life of St. Frances of Rome, and Others

Filesize: 4.12 MB

Reviews

Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

THE LIFE OF ST. FRANCES OF ROME, AND OTHERS

[DOWNLOAD](#)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.BY J. M. CAPES, ESQ. N.B. The proprietorship of this Series is secured in all countries where the Copyright is protected. The authorities on which the History of St. Frances of Rome rests are as follows: Her life by Mattiotti, her Confessor for ten years. Mattiotti enjoined her, as a matter of obedience, to relate to him from time to time her visions in the minutest detail. He was a timid and suspicious man, and for two or three years kept a daily record of all she told him; afterwards, as his confidence in her sanctity and sanity grew complete, he contented himself with a more general account of her ecstasies, and also put together a private history of her life. After her death, he wrote a regular biography, which is now to be found in the Bollandist collection (Venice, 1735, vol. ii.). Early in the seventeenth century, Ursinus, a Jesuit, wrote a life, which was highly esteemed, but which was never printed, and, except in certain fragments, is now lost. In 1641, Fuligato, a Jesuit, wrote the second life, in the Bollandist collection, which contains particulars of events that happened after Mattiotti's time. Other well-written lives have since appeared: especially a recent one by the Vicomte de Bussiere, in which will be found various details too long to be included in the sketch here presented to the English reader. INTRODUCTORY ESSAY.
