Brand New Book ***** Print on Demand *****.Growing up can be pretty darn confusing. So can family relationships, especially in times of stress. But author Marv Friedlander brings out the humorous and poignant sides of life in this collection of lighthearted anecdotes. This book shines a light on relationships and the way we treat each other through a collection of touching stories and cartoons. Easy-to-read, entertaining, thoughtful, and sweetly nostalgic. A Horse in Our Backyard includes twenty-five thought-provoking recollections about those awkward moments in life when you realize that youve just stuck your foot in your mouth, or when the irony of a situation drips like the crystals of a chandelier, and even a few of those happy moments that youll look back on with nostalgia in years to come. In between these reflections, the "Kid Talk" and "Senior Talk" features inject silly cartoon jokes reminiscent of great cartoons such as Pearls Before Swine and Peanuts. Youll want to keep A Horse in Our Backyard on hand to peruse the short segments at will and better yet share them with friends and loved ones!.
