Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from American Manual of Phonography: Being a Complete Guide to the Acquisition of Pitman's Phonetic Shorthand In preparing this Manual of Phonetic Shorthand, the author has had one leading object in view, namely: to furnish a means for acquiring speedily a correct and practical knowledge of the much coveted art. The books that have heretofore been used have all answered a good purpose; but they have, with one exception probably, been rendered comparatively obsolete by the introduction into the system of two or three important improvements. These are incorporated into the present work, by which it is rendered a reliable and permanent text-book. In one important particular this treatise differs from all others heretofore published; namely, the exercises to be written by the pupil are printed in phonetic spelling. By this arrangement three important advantages are gained: First: the learner will be made acquainted with the philosophy and utility of phonetic spelling as applied to printing, and will generally be so well pleased with it as to become its ardent advocate. Second; in writing his...
