HUMAN BEHAVIOUR

National Book Trust/Sangam Book Depot, New Delhi, India. Softcover. Book Condition: New. The present volume focusses on the roots of human behaviour and tries to explain why diverse individuals behave differently under the same circumstances. The structure and function of the brain insofar as they determine behaviour are described in some detail. Our genetic makeup, the environment in which we are brought up, intelligence, perception, memory, learning, imagination and our various innate drives shape the manner in which we act and react....
