This Bible study was born out of a weekly, young women s Bible study that I, the teacher, learned a great deal through. Because some of the young women in the study were new Christians or not-yet Christians, I wanted to give them a basic overview of the history of the whole Bible, even though we were officially studying Ephesians. As we went through Ephesians, I was amazed to discover how neatly it contained or connected to other lessons from Genesis to Revelation. This hybrid Bible study was the result. Each of the twelve weeks of lessons contains five, daily, personal lessons and one, weekly, group-study application with a review outline and discussion questions. Daily lessons require a time investment of thirty to forty-five minutes each day. Ephesians Plus is suitable for anyone from the Bible-novice to the Bible-veteran who still has a novice s desire to learn more.
