Createspace, United States, 2011. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.For most individuals success comes from sheer luck, social status, or being at the right place at the right time. But many achievers have succeeded by applying this simple rule: self determination. Self -Determination: The Power Within! shows you how to tap into this powerful discipline and achieve goals and become successful. 1. Individuals will learn how to translate their vision into positive leadership, transform difficult situation into workable plans, as well as motivating others for greater accomplishment. 2. Self- Determination will teach how self- discipline; motivation can turn average individuals into inspiring leaders, great managers, and successful entrepreneurs. It will help you manage, improve your life, complete goals and succeed. 3. Self Determination is filled with practical examples of men and women of various backgrounds proving that dedication to succeed can be much closer to what previously calculated. 4. Potential achievers will learn that personal organization and entrepreneurial goals can be achieved by determination and discipline, result: a happier individual Each of the chapters demonstrate when self determination is applied, negative people can achieve spectacular results, made an impact in society through their tenacity. By following the guidelines, the information becomes an inspirational tool for those searching for self improvement.
