*It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Saraband, United Kingdom, 2014. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. Longlisted for the Edge Hill and Frank O Connor Short Story awards 2015. A mother struggles to bond with her newborn baby; a student obsesses about flies spreading their killer germs; a young boy dreads the bullies who torment him. People can look normal , but appearances often mask a darker inner reality. Inspired by the author s experiences as a nurse over the last thirty years, and written with compassion and a wild imagination, Little Crackers opens a world of strange characters - the paranoid, the isolated, the exploited and the wicked - and raises questions about how we care for the most vulnerable members of our society. Obsession, dementia, post-natal depression, psychosis and even murder all feature in this quirky, surprising Tales of the Unexpected for the 21st century.
