It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.An adage says, a man who builds a house without building his child builds what the child will later sell. Proverbs 22:6 says, train up a child in the way he should go: and when he is old, he will not depart from it. This book is an attempt to assist parents and teachers to meet up to the challenges that befall them in carrying out this important function in the light of the moral decadence that is prevailing all over the world. The first edition of the book was used by several thousands of teachers, ministers and parents in schools, Churches and homes to build the moral values of young ones. Apart from the stories, songs and Bible passages for the young ones to study, there is a seminar material that is based on the lecture which the author delivered to school proprietors, children ministers and Christian professionals in this volume.
