

Valor in Vietnam: Chronicles of Honor, Courage and Sacrifice: 1963 - 1977

Filesize: 8.09 MB

Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Every war continues to dwell in the lives it touched, in the lives of those living through that time, and in those absorbed by its historical significance. The Vietnam War lives on famously or infamously, depending on political points of view but those who have been there, done that have a highly personalized window on their time of that history. Valor in Vietnam focuses on nineteen stories of Vietnam, stories of celebrated figures in the veteran community, compelling war narratives, vignettes of battles, and the emotional impact on the combatants. It is replete with leadership lessons and valuable insights that are just as applicable today as they were forty years ago. This is an anecdotal history of America's war in Vietnam composed of firsthand narratives by Vietnam War veterans presented in chronological order. They are intense, emotional, and highly personal stories. Connecting each of them is a brief historical commentary of that period of the war, the geography of the story, and the contemporary strategy written by Lewis Sorley, West Point class of 1956, and author of *A Better War* and *Westmoreland*. With a foreword by Lt. Gen. Dave R. Palmer, US Army (Ret.), Valor in Vietnam presents an overview of the war through the eyes of participants in each branch of service and throughout the entire course of the war. Simply put, their stories serve to reflect the commitment, honor, and dedication with which America's veterans performed their service.
