War has been sweeping across the red wastelands of Earth for hundreds of years, waged between the vile underground rats and the feline-fronted surface alliance. The survival of the species that still remain on Earth depends upon the alliance and its faith in the gods of old as their guides. However, for the cats and their unlikely allies to bring the hauntingly endless war to a finale, will not only mean ridding the rat from the world below, but having to confront an ancient foe from the birth of existence itself. (This book is in memory of the legendary cat, Jack Mesopawtamia - a beautiful soul, that will forever remain a true friend and brother. Rest in Peace. 10/31/99 - 1/14/13.).
