Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Sager orphans (sometimes referred to as Sager children) were the children of Naomi and Henry Sager. In April 1844 Henry Sager and his family took part in the great westward migration and started their journey along the Oregon Trail. During their journey both Naomi and Henry Sager lost their lives and left their seven children orphaned. Later adopted by Marcus and Narcissa Whitman, missionaries in what is now Washington, the children were orphaned a second time, when both their new parents were killed during the Whitman massacre in November 1847. Catherine (1835-1910), the eldest of the Sager girls, married Clark Pringle, a Methodist minister and bore him 8 children. They lived in Spokane, Washington. About 1860, ten years after her arrival in Oregon, she wrote a first-hand account of their journey across the plains and their life with the Whitmans. This account today is regarded as one of the most authentic accounts of the American westward migration. She hoped to earn enough money to set up an orphanage in the memory of Narcissa Whitman. She never found a publisher. Catherine died on August 10, 1910, at the age of seventy-five.
