Not illustrated. 1916 Excerpt: .detect here and there but a short phrase borrowed from the historian, we find in each of the Roman plays whole passages wherein Shakespeare has changed, at times, only the order of the words to convert what was before prose into deathless poetry. We may thus compare Shakespeare with Mendelssohn, some of whose loveliest compositions are formed upon the words of a congenial poet; but no less lovely are those songs without words, wherein his only inspiration was his own genius. So Shakespeare, by the music of his verse, has made live the words of North; but lacking these in the Chronicles he likewise had no need of any other inspiration but that which was within. This is so important a point for the understanding of Shakespeare's methods in the use of his authority that it may be illustrated by a short example. The death...
