*This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Random House Children's Publishers UK. Paperback. Book Condition: new. BRAND NEW, Rolling Dice, Beth Reekles, The second cool, sexy YA romance novel from seventeen-year-old Wattpad sensation and author of The Kissing Booth, Beth Reekles. They say that the higher you climb, the harder you fall - and Madison Clarke will do anything to keep her new life from crumbling to pieces. Moving from a small town in Maine to Florida, Madison grasps the opportunity to reinvent herself, to forget about those days of being a lonely, loser outcast, and jumps at the chance when the popular kids decide to take her under their wing. A hot boyfriend, parties, friends. If only there wasn't the slight problem by the name of Dwight, a cute, funny and totally nerdy guy in Madison's physics class who she can't help but enjoy spending time with. Running from her past and stumbling through the present, who knows what lies ahead in this new life in Florida?.
