Dog Ear Publishing. Paperback. Book Condition: New. Paperback. 268 pages. Dimensions: 8.5in. x 5.5in. x 0.6in. We Were the Zonks was born out of my love of song, and my desire to promote the music of my youth. The story, which became the vehicle to accomplish this, came to me in Sydney, Nebraska at a Dairy Queen. There, inside the newly remodeled restaurant, was a picture of a long ago defunct band who called themselves. . . The Zonks. The boys who comprised the band were sitting on a Volkswagen Beetle with their instruments in front of a Dairy Queen from either the early 70s or late 60s, judging from the incidental evidence. I wondered where they were and what they were doing now. And then, I imagined what might happen if they had a reunion, and a little magic came along. . . This mythical reunion is where the story starts. It is there that the characters in my book discover that they still have a burning desire to create and share music. The fictionalized Zonks still want the dream 40 years after they broke up, and I don't think they are very different from any boy who ever picked up a guitar and tried to play three chords and carry a tune. There are millions and millions of wannabe rock stars driving trucks,...
