

Spirituality Beyond Science and Religion

By William Pillow

iUniverse, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Spirituality means something different to everyone. Some may believe it involves participating in organized religion. Others may prefer it to be more personal, like getting in touch with one's inner self through yoga, meditation, quiet reflection, or even long walks. A few may find that it lies in finding a new sense of purpose for their lives. Spirituality Beyond Science and Religion addresses all of these, and more, through a new paradigm about life and death. It lifts readers above their daily press for competitive survival and success, by going to the heart of all spirituality. The book disputes traditional science's claim that physical matter is the only reality. It also helps explain enigmas that have confronted orthodox religion for centuries. To do so, this book correlates published research from nearly one hundred and fifty authors and professionals in medicine, neuroscience, psychology, theology, history, and metaphysics. It explores new insights being revealed through thousands of subjective experiences around the world—all of them beyond the ability of science or religion to explain. The book therefore not only...
