Brand New Book. quot;This is a book for dramaturgs of new work, but it is also a particularly effective book for anyone working on new plays: playwrights, directors, producers, even actors. Lenora skillfully dissects the process of workshopping new writing, and clearly defines the roles for all involved. I learned not only how to make a new play workshop more effective, but how to approach my writing and my directing, and how to meaningfully collaborate with others in this unique process.
