If his slavery will save his father's kingdom, then he will be a slave and submit to every indignity the warlord and the senate of Segasa require of him. He can live with the shame; it's the mind-blowing pleasure that frightens him. But the warlord wants more than a tribute who will respond eagerly to whips and bondage. The warlord might just want the man underneath: the prince, the soldier and the tribute, if Kynon can figure out who that is. On an enforced journey of self-discovery, Kynon learns that being the warlord's tribute isn't just about submission. And, to be the tribute that Brasius wants him to be, Kynon will have to defy all the traditions of Segasa and risk the wrath of the senate that really holds his chains.
