Ambassador-Emerald International, United States, 2015. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. Christian business leaders struggle to harmonize their work responsibilities with their principles of faith. In an increasingly secular world where they must lead people of different faiths or no faith at all they are pressured to balance who they are (Christians) and what they believe in (the Bible) with practicalities, compromises, and a moral relativism that denies truth can be known and asserts right actions are debatable in any given circumstance. The result: they experience tension, stress, doubt, and loneliness at work. And, they can make bad decisions. What if Jesus Carried a Briefcase? is a practical business leadership manual, presented in the format of a weekly devotional. It provides practical guidance for living a professional life in harmony with Christian ideals and principles of faith at the ground level, the place where leaders must execute their specific accountabilities and achieve their goals and objectives.
