Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

GRIN Verlag Nov 2012, 2012. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2005 in the subject English Language and Literature Studies - Literature, grade: 1,0, University of Duisburg-Essen, language: English, abstract: [...] Although there is quite a number of reasonable arguments for not welcoming Turkey to the European family, such as financial as well as political and ethical, the majority of Turkish people consider prejudices against Turks as the actual reason for their rejection: they are (culturally) too different and more than the half of the European citizens are against a Turkish membership in the EU. Instead, a privileged partnership is being proposed by some conservative European governments (or opposing parties such as the German Christian Democratic party), instead of a full membership. I think full needs to be emphasised here because it means a real and well-meant friendship, a step closer to becoming a family member one day rather than a mere political (or strategical) ally. Well, family implies that there are less differences, that one is almost alike. There are many European tenets as well as traditional views which hinder an honest dialogue since Europe has yet to rid itself of some of its dangerous ideas (maleficent fictions) which set the world ablaze in the 20th century. Neither Nigeria is honestly acknowledged, nor is (in the minds of many a European critic) Achebe's writing universal⁵, nor is Turkey's forty-year old endeavour to become a full European member acceptable. There is, intellectually, a problem on the part of Europe to accept the idea of equality which Achebe has been persistently trying to point out both in his novels and in his essays (which is the same reason, I think, why Turkey is so hard done by): feeling of superiority. That is why Achebe's books lack...
